Oral Traditions - University of British Columbia
Introduction “The Elders would serve as mnemonic pegs to each other. They will be speaking individually uninterrupted in a circle one after another. When each Elder spoke they were conscious that other Elders would serve as ‘peer reviewers’ [and so] they did not delve into subject matter that would be questionable. The Oral History

Introduction | Dental checks: intervals between oral
Oct 27, 2004 - Introduction. Six-monthly dental check-ups have been customary in the General Dental Service (GDS) in the United Kingdom since the inception of the NHS. There is evidence relating to risk factors for oral disease and on the effectiveness of dental health education and oral health promotion, and this was used to inform the guideline

Introduction - University of California, San Diego

Introduction. This guide has been assembled with an eye towards clinical relevance. It represents a departure from the usual physical exam teaching tools which, in their attempts to be all inclusive, tend to de-emphasize the practical nature of patient care.

oral tradition | communication | Britannica
oral tradition, also called orality, the first and still most widespread mode of human communication. Far more than “just talking,” oral tradition refers to a dynamic and highly diverse oral-aural medium for evolving, storing, and transmitting knowledge, art, and ideas. It is typically contrasted with literacy, with which it can and does interact in myriad ways, and also with ...
