**Environmental policy in China - Wikipedia**

Environmental policy in China is set by the National People's Congress and managed by the Ministry of Environmental Protection of the People's Republic of China. The Center for American Progress has described China's environmental policy as similar to that of the United States before 1970. That is, the central government issues fairly strict regulations, but the actual monitoring ...

**How Do Fruits Ripen? • Frontiers for Young Minds**

Apr 20, 2018 - There is nothing like eating a fruit when it is just ripe. Ripeness brings out the best flavor, texture, and even an appetizing smell. Eat that same fruit a week before it is ripe, and you will get a completely different experience. The ripeness of fruit influences the choice of which fruit we pick at supermarkets. However, once fruits are ripe, they tend to spoil quickly, as you might ...

**Privacy - Wikipedia**

The Internet has brought new concerns about privacy in an age where computers can permanently store records of everything: "where every online photo, status update, Twitter post and blog entry by and about us can be stored forever", writes law professor and author Jeffrey Rosen. One of the first instances of privacy being discussed in a legal manner was in 1914, ...
