**Earth Abides by George R. Stewart - Goodreads**
Thought-provoking post-apocalyptic novel Not an action-packed book and even quaint by today's standards, Earth Abides is a widely recognized classic of the genre with good reason. It puts one in mind of the Universal monster movies of the thirties and forties--enjoyable as classics but not facing the more stark and brutal realities portrayed in

Space out: Religion and science fiction grow closer
Jun 26, 2017 · Science fiction (sometimes called speculative fiction) has a long history with religion, as some scholars trace it back to Mary Shelley’s 1818 novel Frankenstein, which explored the theme of man as a God-like creator. Numerous scholars, science fiction fans and authors have said science fiction, with its invented worlds and elastic reality, is an especially ...

How to Defeat Satan in Two Simple Steps - David Jeremiah Blog
The original video games that appeared in the seventies and eighties weren’t rocket science. They required some hand-eye skills, yes. But intellectually speaking, they were marketed to young people, not Ph.D.s (though plenty of Ph.D.s played them at night after their children were in bed!). Satan’s mind games make the most sophisticated video games look like child’s play. He has ...
