Democratic peace theory - Wikipedia
The democratic peace theory posits that democracies are hesitant to engage in armed conflict with other identified democracies. Among proponents of the democratic peace theory, several factors are held as motivating peace between democratic states. Variations of the democratic peace theory emphasize that liberal and republican forms of democracies are less likely to go ...

Democratization - Wikipedia
Democratization, or democratisation, is the transition to a more democratic political regime, including substantive political changes moving in a democratic direction. It may be the transition from an authoritarian regime to a full democracy, a transition from an authoritarian political system to a semi-democracy or transition from a semi-authoritarian political system to a democratic ...
