Nationalism - Wikipedia
Nationalism is an idea and movement that holds that the nation should be congruent with the state. As a movement, nationalism tends to promote the interests of a particular nation (as in a group of people), especially with the aim of gaining and maintaining the nation's sovereignty (self-governance) over its homeland to create a nation state. Nationalism holds that each nation ...

Albanian nationalism - Wikipedia
Albanian nationalism is a general grouping of nationalist ideas and concepts generated by ethnic Albanians.
that were first formed in the 19th century during the Albanian National Awakening (Albanian: Rilindja). Albanian nationalism is also associated with similar concepts, such as Albanianism (Shqiptaria or Shqiptarizmi) and Pan-Albanianism, (Panshqiptarizmi) that ...

Nationalism (Stanford Encyclopedia of Philosophy)
Nov 29, 2001 · The traditional nationalism is still relevant, but populist nationalism attracts much more attention: new theories are being produced and debated, coming to occupy the center stage. On the other hand, migration crisis has replaced the typical cosmopolitan issue of solidarity-with-distant-strangers with burning issues of helping refugees present

Growth of Nationalism in Europe - History Discussion
ADVERTISEMENTS: The Growth of Nationalism in Europe! A nation may be described as a community having a common homeland, a common culture and common traditions. European nationalism, in its modern sense, was born out of the desire of a community to assert its unity and independence. In the 19th century there began a determined struggle [...]
Stage forum member reports that he and a friend recently finished reading John Darwin’s After Tamerlane. Enraptured by Darwin’s account of flourish and fall, they ask what else they might read to understand the rise and decline of peoples and powers over the course of human history.
